

## Leadership

### Susan Lewis

**Title:** Senior Vice President,  
Enterprise Operations

### Professional Background

Susan Lewis is Senior Vice President, Enterprise Operations of Corteva Agriscience™. In this role, she is responsible for groups such as Global Engineering & Operations Technology, Global Quality, Environment, Health, Safety and Security Global Procurement, and Facility Services & Real Estate.

Prior to her current role, Lewis was Vice President of Dow AgroSciences Global Operations. She served as a member of The Dow Chemical Company Operations leadership team and the Dow AgroSciences Corporate Management Committee. In 2008, she was named Dow AgroSciences Business Manufacturing Leader for the Range and Pasture Herbicides and Commodity Insecticides business lines. Following this role, Lewis was named Dow AgroSciences Global Technology Center Director. In May 2010, she was named Corporate Director of EH&S Operations for The Dow Chemical Company. In late 2012, she assumed responsibilities as Operations Director for Houston Operations, which included the Deer Park, Lone Star, La Porte and Bayport sites.

Lewis was a founding member of the Campbell Institute of the National Safety Council and is a member of the Society of Women Engineers. She has served on the industry board for Michigan Technological University (MTU) and was inducted into the Presidential Council of Alumnae for MTU. Currently she is the Chairperson of the Operations Committee of Crop Life International.

Lewis earned a bachelor's degree in chemical engineering from Michigan Tech University and is a certified Six Sigma Black Belt.
