FulTime® NXT, Keystone® NXT, Keystone® LA NXT and MezaVue® herbicides, Vydate C-LV and Vydate L insecticide/nematicides are Restricted Use Pesticides.

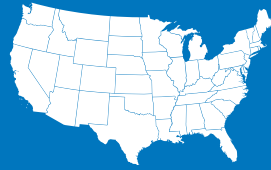

FulTime NXT, Keystone LA NXT, Keystone NXT, Resicore®, Stinger®, Stinger® HL, SureStart® II, Surpass® NXT are not available for sale, distribution or use in Nassau and Suffolk counties in the state of New York. Do not fall-apply anhydrous ammonia south of Highway 16 in the state of Illinois. Enable® is not labeled for use on pecans in New Mexico. State restrictions on the sale and use of Enable, Remedy® Ultra, Remedy® Ultra, Stinger® apply. Consult the label before purchase or use for full details. Enlist One® and Enlist Duo® are the only 2,4-D products authorized for use in Enlist crops. Fontelis® is not labeled for use on peanuts in California. Consult the Strongarm® label for area restrictions for TX, NM and OK. Curzate® 60DF is labeled for use on potatoes, potato seed pieces, tomatoes, cucumber crops, head lettuce, leaf lettuce, spinach, and hops to preserve yields. Label precautions apply to forage treated with GrazonNext HL and to manure from animals that have consumed treated forage within the last three days. Consult the label for full details. Chaparral™, DuraCor® and GrazonNext® HL have no grazing or haying restrictions for any class of livestock, including lactating dairy cows, horses (including lactating mares) and meat animals prior to slaughter. Label precautions apply to forage treated with Chaparral, DuraCor and GrazonNext HL and to manure and urine from animals that have consumed treated forage. Consult the label for full details. GrazonNext HL and Chaparral for full fertilizer mentions: Chaparral and GrazonNext HL are labeled for impregnation of dry fertilizer in the states of AL, AR, FL, GA, IA, KS, KY, LA, MO, MS, NC, NE, OH, OR, SC, SD, TN, TX, VA and WA. Sequoia® is not registered by U.S. EPA for sale or use on strawberries. Sequoia has Section 18 Specific Emergency Exemption for us on strawberries to treat lygus bugs in the following counties: Fresno, Los Angeles, Madera, Merced, Monterey, Orange, Sacramento, San Benito, San Diego, San Luis Obispo, Santa Barbara, Santa Clara, Santa Cruz, and Ventura. To learn more about Sequoia, to see the limitations on the use of Sequoia under the Section 18 Specific Emergency Exemption labels, and to find a list of retailers that may carry this product under the Section 18 Exemption, call 800-258-3033 or email CustomerInfo@Corteva.com.

Not all products are registered for sale or use in all states. Contact your state pesticide regulatory agency to determine if a product is registered for sale or use in your state. Consult the label before purchase or use for full details. Always read and follow label directions. ©2022 Corteva. CY56-611-004 COR (07/22)
