

Dow AgroSciences Sourced Technology

Dow AgroSciences, together with its commercial partners, offers for sale in the United States commercial products containing the following (DAS) Sourced Technology (and any other DAS Sourced Technology posted by DAS from time to time on www.traitstewardship.com). Many of these commercial products are patented articles under the protection of the patent laws of many countries, including without limitation the United States Patent Laws. In accordance with 35 U.S.C. § 287(a), Dow AgroSciences is providing this website to give notice to the public about the association of certain patented articles with the number(s) of certain United States patents. The listing of patent numbers on this page may not be all-inclusive, and it does not preclude Dow AgroSciences from pursuing other legal rights not reflected on this page. Once the referenced commercial products are offered for sale, they will be covered as Licensed Rights under your Technology Use Agreement.
